March 10, 1999 LB 141

SENATOR COORDSEN: Thank you, Senator Wickersham. Senator Tyson, please.

SENATOR TYSON: Thank you, Mr. President and members of the body. I, too, rise in support of the Bromm amendment. It does not have exactly the same purpose as a bill that I heard before Senator Wickersham's committee where I was treated...well, we won't go into that. The...the burden right now on airport authorities across the state of Nebraska is very heavy, it is growing heavier. I submit that the Bromm amendment will lighten that load a little bit. And I want to emphasize to the body the importance of airports especially in rural Nebraska. Healthcare is one area where any number of people land at the airport in my town, in Norfolk; every week about 35 landings bringing healthcare to people that otherwise would have to trade...would have to go to Omaha, to Lincoln, to Grand Island. This is a worthwhile purpose and I urge everyone to support Senator Bromm's amendment. Thank you.
